LEGISLATIVE PROGRAM

(Mr. WISE asked and was given permission to address the House for 1 minute.)

Mr. WISE. Mr. Speaker, if the distinguished gentleman from California

(Mr. BILBRAY) would be so kind as to provide us with an explanation of next week's schedule.

Mr. BILBRAY. Mr. Speaker, will the gentleman yield?

Mr. WISE. I yield to the gentleman from California.

Mr. BILBRAY. Mr. Speaker, I am pleased to announce that we have concluded legislative business for this week. There will be no votes tomorrow, Friday, April 23. However, I would like to remind Members that there is a ceremony in the Capitol tomorrow celebrating the 50th anniversary of NATO and all Members are invited.

Of course, we will be releasing our official schedule this afternoon, but I would like to take this opportunity to outline next week's agenda.

The House will meet at 2 p.m. on Monday, April 26, for pro forma, but no legislative business will be held and no votes will be held on that day.

On Tuesday, April 27, the House will meet at 12:30 p.m. for morning hour debates and 2 p.m. for legislative business.

We will consider a number of bills under suspension of the rules, a list of which will be distributed to all Members' offices. Members should note that we expect votes after 2 p.m. on Tuesday.

On Wednesday, April 28 and Thursday April 29, the House will take up H.R. 1480, the Water Resources Development Act; H.R. 833, the Bankruptcy Reform Act of 1999; and a motion to go to conference on H.R. 4, the Missile Defense Act.

Members should also be advised that there may be action next week on the War Powers Resolution introduced by the gentleman from California (Mr. CAMPBELL).

Mr. WISE. Mr. Speaker, reclaiming my time, if the gentleman would be so kind as to continue to respond, does the gentleman anticipate that next week the supplemental appropriation bill providing Kosovo funding will be on the floor?

Mr. BILBRAY. If the gentleman will continue to yield, right now it is in committee and we are hoping that it will be expedited as quickly as possible. We do not have any guarantees at this time, but the committee is assuring us that they will get it to the floor as soon as possible.

Mr. WISE. The gentleman also referred to the Campbell resolution regarding the War Powers Act. Does he anticipate those actually being on the floor next week?

Mr. BILBRAY. We are expecting that it is very possible.

Mr. WISE. Since that is often as good as it gets in a legislative body, I thank the gentleman and wish him a good weekend.

Mr. BILBRAY. Mr. Speaker, if the gentleman will continue to yield, I want to clarify to Members that they

should note that we expect to conclude legislative business on Thursday, April 29, and we will not have any votes on Friday, April 30.

We hope this advance notice on scheduling enables Members to adjust their schedules.

Mr. WISE. Actually, the gentleman has kind of sparked something with me. If I could ask, following up on the Campbell resolution, if it is very possible, do we know what day it might be very possible that it would be coming to the floor?

Mr. BILBRAY. We are looking forward to Wednesday or Thursday.

Mr. WISE. I thank the gentleman.

SPECIAL ORDERS

The SPEAKER pro tempore. Under the Speaker's announced policy of January 6, 1999, and under a previous order of the House, the following Members will be recognized for 5 minutes each.

EARTH DAY AND THE GREAT LAKES

The SPEAKER pro tempore. Under a previous order of the House, the gentleman from Michigan (Mr. STUPAK) is recognized for 5 minutes.

Mr. STUPAK. Mr. Speaker, this is Earth Day. This is the day when, in the simplest of terms, we are supposed to say smokestacks are bad and trees are good, that cars are bad and bicycles and buses are good. Those of us concerned about the environment, of course, realize that environmental issues have many more facets.

Consider the case of the Great Lakes. It was in October, Mr. Speaker, that many of my colleagues gave unanimous approval to my resolution which called on the President and the other body to act to prevent the sale or diversion of Great Lakes water to foreign countries, businesses, corporations and individuals.

□ 1245

The House, speaking with one voice, asked that procedures be established to guarantee that any sale or diversion of Great Lakes water be fully negotiated and approved by representatives of the Governments of the United States and Canada.

I want to remind our colleagues of this House action because, Mr. Speaker, there is another threat to the Great Lakes, one which is posed by the drilling of oil and gas in and under the waters of our Great Lakes.

Let me take a few moments on this Earth Day to discuss water diversion and drilling in the Great Lakes. First, let me pose these questions: Are we being alarmists? Are diversion and drilling real threats to one of the world's most valuable resources?

Consider, Mr. Speaker, these facts in terms of this potential impact on the
